G	2	10		1.1	A	L					Allotments somewhere between Ickwell and UC	G2101.1	1	Allotment land needed	495
H	1	6		1.2	AL						Community allotments have been on the agenda for so many years and remained unfulfilled inspite of numerous requests. This is now the opportunity to provide these. We suggest modelling the provision on the Dunton community gardens project. This would entail the provision of both individual plots and community facilities e.g. polytunnels and fruit orchards. Possible sites are the junction of Northhill Road UC and Hitchin Road in UC; the plot in Hitchin Road opposite the shop and in front of the school; land currently administered under trust by NPC on leasehold agreement elsewhere in the parish.	H161.2	1	Allotment land needed	555

J	2			1.2	A						Allotments required – would cause only minimal disruption to land owners (if any) <i>(There should be allotments available for those who wish to grow their own fruit/vegetables/flowers, keep bees, chickens etc. Surely in such a large farming community one of the local farmers could make some space available. Presumably it would actually be fairly lucrative for them to do so✓ Recent objections from the Sand Lane area Northhill were thought generally to be ridiculous and “over the top”. The people with allotments are generally nice, sociable people who quietly enjoy growing and would cause minima disruption (if any)</i>	J2361.2	1	Allotment land needed	599
K	1	1		1.2	AL						We need allotments locally at an affordable price please	K111.2	1	Allotment land needed	620
K	1	3		1.2	AL						Provision of allotments	K131.2	1	Allotment land needed	622
