														wildlife in the parish	
E	1	12	11	2.1	N						All natural areas, fields and trees in the parish should be preserved	E1122.1	82	Manage/maintain and conserve landscape & wildlife in the parish	364
F	2	15		2.1	N						Want to protect open spaces with wildlife	F2152.1	82	Manage/maintain and conserve landscape & wildlife in the parish	410
F	2	17		2.1	N						Want to protect wildlife and land	F2172.1	82	Manage/maintain and conserve landscape & wildlife in the parish	411
F	3	25		2.1	N						Maintain as much green land as possible	F3252.1	82	Manage/maintain and conserve landscape & wildlife in the parish	443
F	3	29		2.1	N						Keep the trees	F3292.1	82	Manage/maintain and conserve landscape & wildlife in the parish	447
G	1	14		2.1	OF						Turbines and solar panels not to be put anywhere in the parish in order to protect the rural parish, landscape, wildlife and environment	G114a2.1	82	Maintainconserve rural parish	474
G	1	16		2.1	H	L				L	Regular pond clearing Northill	G1162.1	82	Manage/maintain and conserve landscape & wildlife in the parish	477
G	1	17		2.1	VG	L				L	Retain the green area at entrance to Lower Caldecote – The Grange	G1172.1	82	Manage/maintain and conserve landscape & wildlife in the parish	478
G	1	21		2.2	N						Simon Maudlin’s work with wildlife	G1212.2	82	Manage/maintain and conserve landscape & wildlife in the parish	482

G	2	11		2.1	N					Community woodland- but lot of work to maintain	G2112.1	82	Manage/maintain and conserve landscape & wildlife in the parish	496
G	3	29		2.1	N					Need to keep the trees and adopt a long term woodland plan for upkeep of existing trees and replacing what is lost	G2292.1	82	Manage/maintain and conserve landscape & wildlife in the parish	536
G	3	30		2.1	N					Keep existing green areas as they are	G2302.1	82	Manage/maintain and conserve landscape & wildlife in the parish	537
H	1	4		2.1	N					We are fortunate in enjoying a diverse and complex natural environment in the parish. This needs further protection, better access and further enhancement. A comprehensive survey of species distribution and possible areas of protection and re-introduction where decline needs to be commissioned in order to determine guidance for land regeneration and use. The EU High Stewardship Scheme operated by Simon Maudlin gives guidance and aspirations in regenerating eco-systems to the benefit of growers and species diversity.	H142.1	82	Manage/maintain and conserve landscape & wildlife in the parish	553
J	1	10		1.1	HD	N				Building at the back of houses on west side of Hitchin Rd would destroy wildlife habitat for – bats.	J1101.1	82	Manage/maintain and conserve landscape & wildlife in the parish	567
J		26		2.2	H					Keep, maintain and conserve maypole, village greens, old pond northill, northill pub, PFA, Antiques shop, churches, schools, alms houses, any old and listed buildings, thatched cottages, post office, playing fields, footpaths and wildlife	J262.2	82	Manage/maintain and conserve landscape & wildlife in the parish	584
J	1	27		2.2	H					Maintain and support Simon Maudlin's conservation work	J1272.2	82	Manage/maintain and conserve landscape & wildlife in the parish	586
K	2	10		2.1	82					Access for all parish residents to walk in Woodland. Children would particularly enjoy collecting conkers, chestnuts etc	K2102.1	82	Manage/maintain & conserve landscape and wild life in the	630
